

SEEING HIM IN EVERYONE

WHAT'S NEW!

Serving Him Rain or Shine

by Tammy Eckart

Volunteering can be hard. It can be especially difficult when we are going through a tough or busy time at home. Are we willing to show up regardless of what we are going through?

I love the picture above of a past 2nd Saturday Celebration. Here are neighbors & volunteers participating in Praise & Worship in the rain. It doesn't get much better than that! What you don't see in the picture is that we almost cancelled the celebration. See, we started to worry about the forecast of a storm.

Once we decided to "show up" anyway – we saw the rain certainly didn't keep us from having a great time or hearing a

powerful message or worshipping God or sharing a meal.

We had a choice to stay home warm & dry or risk getting wet in order to shine Christ's love and share the gospel hope. I am still amazed at the number of neighbors that showed up. This showed us that they weren't detoured by a little rain.

Thank you for showing up each & every time you serve. The next time the clouds come out in your life – I encourage you to serve Him rain or shine!

New ESL Classes Now at Lighthouse!

Classes started Friday June 14th & will continue every Friday from 12pm-2pm in the upstairs classroom at LCM. The "English as a Second Language" classes are offered to any mom and are designed to help moms navigate everyday life in English. The new ESL Coordinator is Gina who is a volunteer of the Pregnancy & Parenting Support Center.

Gina was concerned no one would show up to the first class but instead they ended up with 12 new students on day one!

Be Brave & Let God Save

Some of the staff & volunteers at LCM are going through training to become Peer Mental Health Coaches. Before we start the program with our neighbors, we are going through the workbook together and one question keeps coming up... "I'm not sure I can do this. What if I mess up?"

As volunteers & servants of God we can find ourselves in a situation that scares us. What if I don't have the answer? What if I say the wrong thing? If we aren't careful, we can cripple ourselves with fear and we know that God does not give us a spirit of fear but of power, love & a sound mind.

I found myself in this very place at my previous ministry & a friend reminded me that

if I trusted God, He would cover me and my mistakes. We have to be brave enough

to do what we are asked to do. We do not save people, God saves people! I am so grateful that whatever we are asked to do, we do not do it alone. Let's commit to be bold in our faith & offer to pray. God is always with us!
