God is Good!

MAY 2024

May 14th was our first annual Board of Directors **Serve Day** at LCM! We are so blessed with these amazing men and women. They worked at the Food Fair, the Community Garden, and then jumped in to run operations at Lighthouse, including some senior deliveries. Thank you for joining us in being the hands and feet of Jesus!

## SHINE

LCM hosts a Senior Luncheon each month and May's theme was Mexican Fiesta. We had a great turn out and are so thankful for our adult and teen volunteers who show up each month to love and serve our seniors! It's a beautiful time of fellowship for all involved and a highlight of the month.

Second Saturday Worship is a rain or shine event held in the LCM parking lot. This month, we had rain but that did not keep our neighbors from coming out! Thank you to His Touch Worship Center for bringing such a powerful message and beautiful worship resulting in lives being changed!

## BUILD

Thursday, May 2nd, the Impact Teenz impressed area business professionals with their interviewing skills. As part of this mentorship program, they participated in mock job interviews. Special thanks to the wonderful business professionals who volunteered their time to help.

## VOLUNTEER SPOTLIGHT

These wonderful folks, Jimmy and Debbie, have been volunteering in the Lighthouse Community Garden for several years now. In fact, Jimmy is our interim garden coordinator! They are from the neighborhood and are even a part of our Monday night Bible study, "Potluck & The Chosen". They are also involved in helping folks recover from alcohol and drug addiction locally. They have huge hearts for God's people, and it shows! Thank you, Jimmy and Debbie for your service. We love you!
